## About us

### Let us introduce ourselves ...

We are a young and dynamic team of proven professionals.

## Services

ALVETIA - Your competent contact point

In the focal areas of corporate, legal and tax consultancy, we provide competent professional and personal advice.

### Management consultancy

- Start-up advice - we help you decide on the appropriate legal form.
- Preparation of business plans - we help you put your vision into words and numbers
- Start-ups - we accompany and support you so that you get off to a good start
- Interim management - we take over internal responsibility for the short or medium term, in case of need
- Controlling - we show you how to keep an overview
- Budgeting - we help you set priorities
- Liquidity planning - we help you remain liquid
- Restructuring advice - we are there for you when things get tough
- Negotiations - we help you negotiate successfully
- Management coaching - we provide our experience, if the boss needs some help

### Legal Advice

- Founding a business - we take care of the legal process of founding
- Contract law - we draft contracts for you and review existing ones
- Labour law - we support you in all matters of employment

- Tenancy - we take care of all legal aspects, so that housing remains comfortable for you
- Mediation in divorce and separation processes - we will help you find a balanced solution for all parties
- Marriage and inheritance agreements - we will find the best solution
- Law of succession - we will help you in the writing of wills and take care of the division of the estate
- Guardianship - we show you your rights and obligations
- Social security law - we support you in enforcing your rights
- Authorization and supervision at home - we support you in the approval process with the authorities
